

STUDENT DRIVERS AND VEHICLES POLICY 2014

It is the policy of Blackwood High School to control the use of cars and motor bikes by students during school hours (8.30am until 4.00pm).

This policy is in the interest and safety of students and with the full support of parents/caregivers in controlling the use of motor vehicles. Accordingly we seek parent/caregiver support in the following expectations.

1. Students with a driver's licence may drive a vehicle to and from school provided the appropriate form outlining parent/caregiver consent has been received by Student Services. The consent is valid for the school year in which it is issued.
2. Students holding a P1 licence must only have one passenger in their car, excluding immediate family members. This is in accordance with the new young driver's law as outlined in at www.mylicence.sa.gov.au
3. Students are only to park in the Student Car Park at the rear of the school accessible from Beaconsfield Terrace. ***Under no circumstances are students to park in the staff car parks off Seymour Street or the Blackwood Primary School Car Park.*** These areas are reserved for Staff and visitors of the respective schools.
4. Student's vehicles should not be used for any purpose other than drive to and from school for scheduled lessons. The school does not sanction the use of a motor vehicle in any other way during the school day.
5. Students are not permitted to ride as passengers in a motor vehicle unless the appropriate form outlining parent/caregiver consent has been received by Student Services and are in possession of a passenger card. The consent will be valid for the period nominated. It is the responsibility of the student to follow the school's guidelines and in accordance with the passenger restrictions outlined at the www.mylicence.sa.gov.au .
6. Any unsafe use of a motor vehicle by a Blackwood High School student is both a school and potentially a SAPOL matter. Students using a vehicle inappropriately on public roads will receive school consequences as well as being reported to authorities, if necessary.
7. The student car park is provided as a courtesy to senior students, Blackwood High School does not have any liability in providing parking for students or staff nor ensuring the safety of vehicles. Vehicles are driven to and from school and parked at the owner's risk. As with any other public space it is the owner's responsibility to have insurance to covert damage and or theft.

It is our practice to advise parents/caregivers should we learn of any breach of the expectations.

BLACKWOOD HIGH SCHOOL

STUDENT PASSENGER CONSENT FORM

This form is to provide consent for a student to travel as a passenger in a motor vehicle with a fellow student to and from Blackwood High School. I am aware that only one passenger is allowed to be in the car with a student on their P1.

Students are discouraged from relying on other students for transport when they have classes or in any way using their vehicle as storage for their property. It is the responsibility of the student to make appropriate decisions regarding their use of time for education and their own safety.
