## SO, YOU ARE NOT HAPPY IN YOUR HOMESTAY...

Name: .....Date: .....

There are times when you may feel unhappy in your homestay situation and may be thinking about changing to a different homestay family. Before making this decision, it is a good idea to think carefully about your present homestay situation in order to see if a move is really necessary.

**REMEMBER:** It will cost \$200 AUD every time you change your homestay family.

### STEP 1: Complete the following table.

- List the things that make you happy and not happy in your present homestay family. Consider things like;
  - Nearness to public transport and school
  - Bedroom facilities and comfort
  - Care of host parents
  - Company
  - Food
  - Home facilities
  - Internet fees
  - Privacy

 What I'm happy with	 What I'm not happy with

### STEP 2: Complete the three questions.

- Are there more happy things than not happy?
- What have you done to resolve the things you are not happy with?
- What could you do to make things better?

### STEP 3: Make your decision.

Do you really want to change your homestay? Why?
